**THE
BROMPTON CONSUMPTION
AND
COUGH SPECIFIC,**

p. 75

A certain Cure for Coughs, Colds, Consumption, Asthma, Hooping Cough, Bronchitis, and Loss of Voice.

A Cough is the forerunner of Consumption; and in England alone 50,000 people, one-fourth of the whole deaths in each year, are attributable to it. It has destroyed more human beings than War, Pestilence, and Famine combined; it neither spares the old nor young, "and there is no family in which this rapacious destroyer of the human race has not had its victims." It is a well known fact that people with diseased lungs can live for years, and follow their usual avocations in life, provided they are relieved of the principal feature of the disease—the Cough—which shakes and destroys the very elements of the blood, upon which life is supported. How very valuable and important to all, then, must a medicine be which will arrest and cure so fearful a malady.

The Brompton Consumption and Cough Specific has been extensively sold to the rich and poor, and all assert its wonderful power in immediately curing any kind of Cough; the Proprietor, Mr HARDY, can assure those who may have recourse to it, that of all the Medicines used and tried for the relief of Cough, during the four years he officiated as Dispenser to the Brompton Hospital for Consumption, this Specific was the most efficacious, and was administered to 500 out-patients, by a late Physician to the charity, with the greatest success. It immediately allays the tickling of the throat, which provokes Coughing. Persons prevented from laying down for fear of being

suffocated, may depend on immediate relief; in fact, a few doses will cure any kind of Cough. It strengthens the muscles of the throat and chest, and acts specifically on the blood, by reducing inflammatory tendency. It is a universal Cough Medicine, and will save the lives of thousands, by preventing Consumption.

In consequence of the immense sale during the last five years at the Proprietor's Establishment at Brompton, he has been induced by many of its patrons to give publicity to the Medicine, so that it may be more easily obtained; and it can now be procured through any Chemist ordering it, either from the Depot, 3, ALEXANDER PLACE, BROMPTON, LONDON; or of the following Wholesale Agents:—

Barclay and Sons, 95, Farringdon st.	Hannay and Dietrichsen, 63 Oxford st.
Newbery & Sons, 65 St. Paul's ch yd	Sanger, 150 Oxford street.
Edwards & Co. 67 St. Paul's ch. yd.	Dacey, Sutton, & Co. St. Paul's ch. yd

In Bottles, at 1s. 1½d., 2s. 9d., and 4s. 6d. each, Duty included.

The Specific is prepared only by

 Digestion.**

**DR. RIDGE'S
PATENT FOOD,**
FOR INFANTS AND INVALIDS,
Recommended by the Faculty,

THE **PATENT FOOD** is so carefully and scientifically prepared, that it is immensely superior to Arrowroot, Sago, Tapioca, Bread, Biscuit, Corn Flour, or any other kind of farinaceous food for Infants, not alone from its purity, strength, and great nourishing properties, but also from its having been PECULIARLY and THOROUGHLY cooked in its manufacture, which renders it more easily digestible. It cannot cause Acidity or Wind.

It is very agreeable, and, from the nature of its composition, is exactly adapted to all conditions of the stomach. It can be made ready for use without trouble in two or three minutes.

Mixed in Beef Tea, Milk, or any other fluid, the PATENT FOOD is pre-eminently suited to INVALIDS, from its wholesome and strengthening qualities. It is a real blessing, and from its remarkable cheapness accessible to all.

One Trial will prove its efficacy. It will recommend itself.

Sold in Canisters, 4d., 8d., and 1s. each,

With clear and full Directions both for Infants and Invalids. The largest contains four of the smallest.

TESTIMONIALS.

40, Great Marylebone-street, W. *October 22, 1858.*

Sir,—Having for fifteen years been a sufferer from periodical attacks of diarrhœa and dysentery, I was induced, in August last, to try a bottle of your Anti-Spasmodic Mixture, and am pleased to say, with so satisfactory a result, that I feel myself in duty bound to thank you for the unspeakable benefit I have derived from the same. It is decidedly the best remedy I have met

with, for it not only performs a speedy, and, in my case, perfect cure, but it also has a property of giving instant warmth and comfort to the stomach, which other medicines I have hitherto tried have not possessed. I shall feel obliged by your sending me a large bottle, for I never mean to be without a supply of it.

I am, Sir, yours truly,
WILLIAM H. CHARLTON.

To Mr. J. L. Bosley.

52, Walton-street, Chelsea, *April 18, 1861.*

Dear Sir,—I have much pleasure in bearing testimony to the unquestionable efficacy of your Anti-Spasmodic Mixture. It is now six years since I first experienced its effect on myself for a severe attack of Diarrhœa; since then I have recommended it to a vast number of persons, all of whom speak of it in the highest praise, it having in every case given almost instantaneous relief. It is a great pity that you do not make it more generally known, for an article of such utility is deserving of and should have world-wide publicity.

I remain, dear Sir, yours truly, CHAS. POOLE.

To Mr. J. L. Bosley.

Brompton-square, S.W., *July 1, 1862.*

Dear Sir,—I am truly sorry your note of the 18th ult. should have remained so long unanswered.

As you mentioned your intention of publishing your Anti-Spasmodic Mixture, I cheerfully forward you my testimonial as to its efficacy, for I have used it for many years past, and can safely assure you my family, upon all occasions when necessary to resort to it, have been effectually relieved by it, in fact I never knew it fail either on them or myself, in at once allaying every painful and spasmodic attack.

If any testimony of mine can promote its general use in families I shall be glad, and give you full liberty to make any use you please of this communication. With every wish for your success, I am, dear Sir,

Yours faithfully,
L. H. COVE.

PATENT IMPERISHABLE

**Sansflectum Crinoline Manufacturer,
Combining Durability and Lightness, with Elegance of Design,
MODELLED FROM THE LATEST PARISIAN FASHION.**

The following remarks in Reference to this Remarkable and Unique Crinoline from "THE MORNING POST," of Oct. 10., are respectfully annexed for perusal by our Lady Patronesses:

"The most important, however, of all the improvements made in these universal articles of clothing is that of Mr. Mickelthwate's in the Eastern Annexe, of which the Princess Alice is the patroness. They are made of very thin Steel Wire, covered with purified Gutta Percha, and are exceedingly light, elastic, and pliant; unlike most of the crinolines, the wire is not easily broken, while in the event of breakage, the outer covering effectually prevents those injuries from the protrusion of the broken end of the wires which have not unfrequently been inflicted upon the wearer. It was, we are informed, from a very serious accident of this sort occurring to an Austrian Lady that the attention of the exhibitor was first directed to some mode of covering the sharp steel wires of crinolines, and for his success he was rewarded with a Silver Medal by the Emperor of Austria. They are purchased by Thousands at the Exhibition, and the Inventor seems destined to add to the number of those who have made large fortunes out of the manufacture of the much abused, oft deprecated, but still universally worn crinolines."

"It is an American invention, combining lightness and durability, and is perfectly indestructible with ordinary wear. The material is the best Clock Spring Steel, coated with purified Gutta Percha, so highly refined that they have not the slightest unpleasant smell; they will bear a good squeeze without getting out of order. They may at all times be kept perfectly clean by means of a wet sponge. Although so light they keep their shape well, whether the dress worn with them is of a thin or heavy material."—*The Queen*.

FOOTNOTES.

[0] The original book has no page numbers, is misbound in a number of places, and occasionally slots advertisements in the middle of the lists. As such I've moved most of the advertisements to the end of the eText, unless they occur between sections.—DP.

[1] The C. Collier advertisement, which is on the reverse of the inside cover of the original book, has been obscured by a bookplate and only the top and bottom of the advertisement are readable. It presumably is "Collier Caleb, silversmith, watch maker and jeweller, 209 Sloane st."—DP.

[12] In the book there's no heading for this advertisement—I've created one for readability.—DP.

[77] This page (beginning Ashby Joseph) is bound out of place in the original book. There it appears after the Pimlico Paper Warehouse advertisement page, and before the start of the Chelsea Trade Directory.—DP.

[78] This page (beginning Bennett Ann) is bound out of place in the original book. There it appears before the Brompton Consumption advertisement page, and before the start of the Chelsea Trade Directory.—DP.

[89] This page (beginning Johnson J. J.) and the following page (beginning Kineton John) are bound out of place, and occur before the page beginning Hayward William in the book.

[111] The part inside quotes has been rubbed out in the original book at Kensington. There appear to have been four words. Given other usages it may well be the name of a pub.—DP.

[123] The printer didn't print the rest of the address in the original book.—DP.

[128] The printer didn't print a proper address and left the line as shown. There was an Artillery Arms at 1 Rochester Row in the Post Office Directory for 1854.—DP.

[141] The printer has not printed an address in the original book, and the line is as transcribed.—DP.

By reading or using any part of this Project Gutenberg™ electronic work, you indicate that you have read, understand, agree to and accept all the terms of this license and intellectual property (trademark/copyright) agreement. If you do not agree to abide by all the terms of this agreement, you must cease using and return or destroy all copies of Project Gutenberg™ electronic works in your possession. If you paid a fee for obtaining a copy of or access to a Project Gutenberg™ electronic work and you do not agree to be bound by the terms of this agreement, you may obtain a refund from the person or entity to whom you paid the fee as set forth in paragraph 1.E.8.

1.B. “Project Gutenberg” is a registered trademark. It may only be used on or associated in any way with an electronic work by people who agree to be bound by the terms of this agreement. There are a few things that you can do with most Project Gutenberg™ electronic works even without complying with the full terms of this agreement. See paragraph 1.C below. There are a lot of things you can do with Project Gutenberg™ electronic works if you follow the terms of this agreement and help preserve free future access to Project Gutenberg™ electronic works. See paragraph 1.E below.

1.C. The Project Gutenberg Literary Archive Foundation (“the Foundation” or PGLAF), owns a compilation copyright in the collection of Project Gutenberg™ electronic works. Nearly all the individual works in the collection are in the public domain in the United States. If an individual work is unprotected by copyright law in the United States and you are located in the United States, we do not claim a right to prevent you from copying, distributing, performing, displaying or creating derivative works based on the work as long as all references to Project Gutenberg are removed. Of course, we hope that you will support the Project Gutenberg™ mission of promoting free access to electronic works by freely sharing Project Gutenberg™ works in compliance with the terms of this agreement for keeping the Project Gutenberg™ name associated with the work. You can easily comply with the terms of this agreement by keeping this work in the same format with its attached full Project Gutenberg™ License when you share it without charge with others.

1.D. The copyright laws of the place where you are located also govern what you can do with this work. Copyright laws in most countries are in a constant state of change. If you are outside the United States, check the laws of your country in addition to the terms of this agreement before downloading, copying, displaying, performing, distributing or creating derivative works based on this work or any other Project Gutenberg™ work. The Foundation makes no representations concerning the copyright status of any work in any country other than the United States.

1.E. Unless you have removed all references to Project Gutenberg:

1.E.1. The following sentence, with active links to, or other immediate access to, the full Project Gutenberg™ License must appear prominently whenever any copy of a Project Gutenberg™ work (any work on which the phrase “Project Gutenberg” appears, or with which the phrase “Project Gutenberg” is associated) is accessed, displayed, performed, viewed, copied or distributed:

This eBook is for the use of anyone anywhere in the United States and most other parts of the world at no cost and with almost no restrictions whatsoever. You may copy it, give it away or re-use it under the terms of the Project Gutenberg License included with this eBook or online at www.gutenberg.org. If you are not located in the United States, you will have to check the laws of the country where you are located before using this eBook.

1.E.2. If an individual Project Gutenberg™ electronic work is derived from texts not protected by U.S. copyright law (does not contain a notice indicating that it is posted with permission of

the copyright holder), the work can be copied and distributed to anyone in the United States without paying any fees or charges. If you are redistributing or providing access to a work with the phrase "Project Gutenberg" associated with or appearing on the work, you must comply either with the requirements of paragraphs 1.E.1 through 1.E.7 or obtain permission for the use of the work and the Project Gutenberg™ trademark as set forth in paragraphs 1.E.8 or 1.E.9.

1.E.3. If an individual Project Gutenberg™ electronic work is posted with the permission of the copyright holder, your use and distribution must comply with both paragraphs 1.E.1 through 1.E.7 and any additional terms imposed by the copyright holder. Additional terms will be linked to the Project Gutenberg™ License for all works posted with the permission of the copyright holder found at the beginning of this work.

1.E.4. Do not unlink or detach or remove the full Project Gutenberg™ License terms from this work, or any files containing a part of this work or any other work associated with Project Gutenberg™.

1.E.5. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1.E.1 with active links or immediate access to the full terms of the Project Gutenberg™ License.

1.E.6. You may convert to and distribute this work in any binary, compressed, marked up, nonproprietary or proprietary form, including any word processing or hypertext form. However, if you provide access to or distribute copies of a Project Gutenberg™ work in a format other than "Plain Vanilla ASCII" or other format used in the official version posted on the official Project Gutenberg™ website (www.gutenberg.org), you must, at no additional cost, fee or expense to the user, provide a copy, a means of exporting a copy, or a means of obtaining a copy upon request, of the work in its original "Plain Vanilla ASCII" or other form. Any alternate format must include the full Project Gutenberg™ License as specified in paragraph 1.E.1.

1.E.7. Do not charge a fee for access to, viewing, displaying, performing, copying or distributing any Project Gutenberg™ works unless you comply with paragraph 1.E.8 or 1.E.9.

1.E.8. You may charge a reasonable fee for copies of or providing access to or distributing Project Gutenberg™ electronic works provided that:

- You pay a royalty fee of 20% of the gross profits you derive from the use of Project Gutenberg™ works calculated using the method you already use to calculate your applicable taxes. The fee is owed to the owner of the Project Gutenberg™ trademark, but he has agreed to donate royalties under this paragraph to the Project Gutenberg Literary Archive Foundation. Royalty payments must be paid within 60 days following each date on which you prepare (or are legally required to prepare) your periodic tax returns. Royalty payments should be clearly marked as such and sent to the Project Gutenberg Literary Archive Foundation at the address specified in Section 4, "Information about donations to the Project Gutenberg Literary Archive Foundation."
- You provide a full refund of any money paid by a user who notifies you in writing (or by e-mail) within 30 days of receipt that s/he does not agree to the terms of the full Project Gutenberg™ License. You must require such a user to return or destroy all copies of the works possessed in a physical medium and discontinue all use of and all access to other copies of Project Gutenberg™ works.
- You provide, in accordance with paragraph 1.F.3, a full refund of any money paid for a work or a replacement copy, if a defect in the electronic work is discovered and reported to you within 90 days of receipt of the work.
- You comply with all other terms of this agreement for free distribution of Project Gutenberg™ works.

1.E.9. If you wish to charge a fee or distribute a Project Gutenberg™ electronic work or group of works on different terms than are set forth in this agreement, you must obtain permission in writing from the Project Gutenberg Literary Archive Foundation, the manager of the Project Gutenberg™ trademark. Contact the Foundation as set forth in Section 3 below.

1.F.

1.F.1. Project Gutenberg volunteers and employees expend considerable effort to identify, do copyright research on, transcribe and proofread works not protected by U.S. copyright law in creating the Project Gutenberg™ collection. Despite these efforts, Project Gutenberg™ electronic works, and the medium on which they may be stored, may contain "Defects," such as, but not limited to, incomplete, inaccurate or corrupt data, transcription errors, a copyright or other intellectual property infringement, a defective or damaged disk or other medium, a computer virus, or computer codes that damage or cannot be read by your equipment.

1.F.2. LIMITED WARRANTY, DISCLAIMER OF DAMAGES - Except for the "Right of Replacement or Refund" described in paragraph 1.F.3, the Project Gutenberg Literary Archive Foundation, the owner of the Project Gutenberg™ trademark, and any other party distributing a Project Gutenberg™ electronic work under this agreement, disclaim all liability to you for damages, costs and expenses, including legal fees. YOU AGREE THAT YOU HAVE NO REMEDIES FOR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTY OR BREACH OF CONTRACT EXCEPT THOSE PROVIDED IN PARAGRAPH 1.F.3. YOU AGREE THAT THE FOUNDATION, THE TRADEMARK OWNER, AND ANY DISTRIBUTOR UNDER THIS AGREEMENT WILL NOT BE LIABLE TO YOU FOR ACTUAL, DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES EVEN IF YOU GIVE NOTICE OF THE POSSIBILITY OF SUCH DAMAGE.

1.F.3. LIMITED RIGHT OF REPLACEMENT OR REFUND - If you discover a defect in this electronic work within 90 days of receiving it, you can receive a refund of the money (if any) you paid for it by sending a written explanation to the person you received the work from. If you received the work on a physical medium, you must return the medium with your written explanation. The person or entity that provided you with the defective work may elect to provide a replacement copy in lieu of a refund. If you received the work electronically, the person or entity providing it to you may choose to give you a second opportunity to receive the work electronically in lieu of a refund. If the second copy is also defective, you may demand a refund in writing without further opportunities to fix the problem.

1.F.4. Except for the limited right of replacement or refund set forth in paragraph 1.F.3, this work is provided to you 'AS-IS', WITH NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE.

1.F.5. Some states do not allow disclaimers of certain implied warranties or the exclusion or limitation of certain types of damages. If any disclaimer or limitation set forth in this agreement violates the law of the state applicable to this agreement, the agreement shall be interpreted to make the maximum disclaimer or limitation permitted by the applicable state law. The invalidity or unenforceability of any provision of this agreement shall not void the remaining provisions.

1.F.6. INDEMNITY - You agree to indemnify and hold the Foundation, the trademark owner, any agent or employee of the Foundation, anyone providing copies of Project Gutenberg™ electronic works in accordance with this agreement, and any volunteers associated with the production, promotion and distribution of Project Gutenberg™ electronic works, harmless from all liability, costs and expenses, including legal fees, that arise directly or indirectly from any of the following which you do or cause to occur: (a) distribution of this or any Project Gutenberg™ work, (b) alteration, modification, or additions or deletions to any Project Gutenberg™ work, and (c) any Defect you cause.

Section 2. Information about the Mission of Project Gutenberg™

Project Gutenberg™ is synonymous with the free distribution of electronic works in formats readable by the widest variety of computers including obsolete, old, middle-aged and new computers. It exists because of the efforts of hundreds of volunteers and donations from people in all walks of life.

Volunteers and financial support to provide volunteers with the assistance they need are critical to reaching Project Gutenberg™'s goals and ensuring that the Project Gutenberg™ collection will remain freely available for generations to come. In 2001, the Project Gutenberg Literary Archive Foundation was created to provide a secure and permanent future for Project Gutenberg™ and future generations. To learn more about the Project Gutenberg Literary Archive Foundation and how your efforts and donations can help, see Sections 3 and 4 and the Foundation information page at www.gutenberg.org.

Section 3. Information about the Project Gutenberg Literary Archive Foundation

The Project Gutenberg Literary Archive Foundation is a non-profit 501(c)(3) educational corporation organized under the laws of the state of Mississippi and granted tax exempt status by the Internal Revenue Service. The Foundation's EIN or federal tax identification number is 64-6221541. Contributions to the Project Gutenberg Literary Archive Foundation are tax deductible to the full extent permitted by U.S. federal laws and your state's laws.

The Foundation's business office is located at 809 North 1500 West, Salt Lake City, UT 84116, (801) 596-1887. Email contact links and up to date contact information can be found at the Foundation's website and official page at www.gutenberg.org/contact

Section 4. Information about Donations to the Project Gutenberg Literary Archive Foundation

Project Gutenberg™ depends upon and cannot survive without widespread public support

and donations to carry out its mission of increasing the number of public domain and licensed works that can be freely distributed in machine-readable form accessible by the widest array of equipment including outdated equipment. Many small donations (\$1 to \$5,000) are particularly important to maintaining tax exempt status with the IRS.

The Foundation is committed to complying with the laws regulating charities and charitable donations in all 50 states of the United States. Compliance requirements are not uniform and it takes a considerable effort, much paperwork and many fees to meet and keep up with these requirements. We do not solicit donations in locations where we have not received written confirmation of compliance. To SEND DONATIONS or determine the status of compliance for any particular state visit www.gutenberg.org/donate.

While we cannot and do not solicit contributions from states where we have not met the solicitation requirements, we know of no prohibition against accepting unsolicited donations from donors in such states who approach us with offers to donate.

International donations are gratefully accepted, but we cannot make any statements concerning tax treatment of donations received from outside the United States. U.S. laws alone swamp our small staff.

Please check the Project Gutenberg web pages for current donation methods and addresses. Donations are accepted in a number of other ways including checks, online payments and credit card donations. To donate, please visit: www.gutenberg.org/donate

Section 5. General Information About Project Gutenberg™ electronic works

Professor Michael S. Hart was the originator of the Project Gutenberg™ concept of a library of electronic works that could be freely shared with anyone. For forty years, he produced and distributed Project Gutenberg™ eBooks with only a loose network of volunteer support.

Project Gutenberg™ eBooks are often created from several printed editions, all of which are confirmed as not protected by copyright in the U.S. unless a copyright notice is included. Thus, we do not necessarily keep eBooks in compliance with any particular paper edition.

Most people start at our website which has the main PG search facility: www.gutenberg.org.

This website includes information about Project Gutenberg™, including how to make donations to the Project Gutenberg Literary Archive Foundation, how to help produce our new eBooks, and how to subscribe to our email newsletter to hear about new eBooks.
